Electronic Positive Response Reports

There are 2 reports available to members.

These are located at https://newtin.digalert.org.

- Once you are logged in, a menu will appear as shown in Fig 1 below.

- Under the “Reports” column, find the category labeled “Electronic Positive Response”.

- “Electronic Positive Response Analysis” will show information about what responses you have made

- “Electronic Positive Responses Not in Time” will show a list of tickets that you did not respond to by the required response date.
