

# Newtin for Members

## Welcome to the Utility Members documentation site for DigAlert.

The documentation contained here are intended for members (companies that own or maintain services in the public right-of-way or for resell) of Underground Service Alert of Southern California AKA DigAlert. If you are not a member of DigAlert and wish to become one, please visit <https://www.digalert.org/members>.

If you are a user of our Design Lookup Service or an excavator that uses or Web Services, this documentation is not for you. Please see [Online Services](#) for documentation tailored to your needs.
