Welcome to DigAlert's help documentation for Utility Members.

The documentation contained here is intended for members (companies that own or maintain services in the public right-of-way or for resell) of Underground Service Alert of Southern California AKA DigAlert. If you are not a member of DigAlert and wish to become one, please visit <https://www.digalert.org/members>.

If you are an excavator that uses our Online Web Services, this documentation is not for you. Documentation tailored to your needs will be available soon.
